11 Plaintiff(s),

12 vs.

14 CAROLYN W. COLVIN

15 Defendant(s).

**REQUEST TO CONTINUE DEADLINE
 FOR FILING A MOTION FOR
 SUMMARY JUDGMENT**

17 *Pro se* Plaintiff Anita Brokaw respectfully requests the Court to continue the deadline for
 18 filing a motion for summary judgment, currently scheduled for May 27, 2016, for 15 days, or as
 19 long as the Court sees fit.

20 There seems to be a season of grief and despair for my family this year. The death of our
 21 loved ones has been very challenging. My father-in-law passed unexpectedly in April. Dealing
 22 with the aftermath of his death was very taxing on my time and emotions. These challenges were
 23 compounded by frustrating telephonic problems. I have a new phone number now, and I am filing
 24 updated contact information with the Court at the same time I file this request.

25 I met with an attorney at the Legal Help Center and understand what I need to do. I just
 26 need a little more time to do it properly. I am asking the court to grant me 15 days to review the
 27 administrative record and file a motion for summary judgment.

1 Last week I called Richard Rodriguez in the Office of the General Counsel, Social
 2 Security Office. I left him a message informing him that I would be asking the Court for
 3 additional time to file my motion for summary judgment, and asking him to stipulate to the same.
 4 Today, I receive a voicemail message from him in which he stated he had no objection to this
 5 request.

6 I appreciate the Court's consideration of this request.

7 I declare under penalty of perjury that the foregoing is true and correct.
